Docket No.: 65723

Petitioner:

NOBLE ENERGY, INC,

v.

Respondent:

WELD COUNTY BOARD OF EQUALIZATION.

ORDER ON STIPULATED MOTION TO DISMISS APPEAL

THIS MATTER came before the Board of Assessment Appeals on Petitioner's Response to Order to Show Cause and Stipulated Motion to Dismiss Appeal ("Motion to Dismiss Appeal"), filed on February 11, 2019.

As Petitioner stated in the February 11, 2019 Motion to Dismiss Appeal, the issues presented in Petitioner's appeal before the BAA are moot as a result of Petitioner's civil lawsuit against a third party which was resolved by a settlement. Accordingly, Petitioner moved for the dismissal of the instant appeal. Respondent does not oppose the dismissal.

ORDER:

This matter is hereby dismissed.

APPEAL:

If the decision of the Board is against Petitioner, Petitioner may petition the Court of Appeals for judicial review according to the Colorado appellate rules and the provisions of Section 24-4-106(11), C.R.S. (commenced by the filing of a notice of appeal with the Court of Appeals within forty-nine days after the date of the service of the final order entered).

If the decision of the Board is against Respondent, Respondent, upon the recommendation of the Board that it either is a matter of statewide concern or has resulted in a significant decrease in the total valuation of the respondent county, may petition the Court of Appeals for judicial review according to the Colorado appellate rules and the provisions of Section 24-4-106(11), C.R.S. (commenced by the filing of a notice of appeal with the Court of Appeals within forty-nine days after the date of the service of the final order entered).

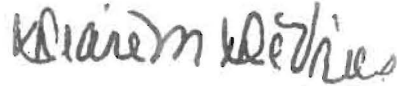

In addition, if the decision of the Board is against Respondent, Respondent may petition the Court of Appeals for judicial review of alleged procedural errors or errors of law within thirty days of such decision when Respondent alleges procedural errors or errors of law by the Board.

If the Board does not recommend its decision to be a matter of statewide concern or to have resulted in a significant decrease in the total valuation of the respondent county, Respondent may petition the Court of Appeals for judicial review of such questions within thirty days of such decision.

Section 39-8-108(2), C.R.S.

DATED/MAILED this 27th day of February, 2019.
