TABLE OF CONTENTS

Executive Summary

Section 1: Colorado Overview

1	Disasters and Emergencies In Colorado
5	Land Ownership
6	Landforms
7	Transportation
10	Population
11	Statewide Exposure
13	State Laws, Regulations, Authorities, Policies
18	State Agencies Capabilities Assessment and State Programs

Section 2: Hazards

1	Contents
2	Avalanche through Winter Weather

Section 3: Counties and Communities

1	Contents
2	County Map
3	Introduction
4	Local Regulations
5	Codes
9	Population Forecasts
10	County Information
74	All Hazards Emergency Management Regions
75	Local Emergency Manager Survey/Plan Results
76	Risk Determined By Locals
81	Organizations and Programs
84	Success Stories/Programs/Effectiveness
87	References and Sources

Section 4: Appendices A - K

2	Appendix A: Acronyms
3	Appendix B: Risk Assessment Forms Prioritization Form State Assets and Project Forms
15	Appendix C: Creation of the City/County of Broomfield Datasets Statewide Exposure Summary
18	Appendix D: Colorado Wildland Urban Interface Hazard Assessment Methodology
27	Appendix E: Capability Matrix
31	Appendix F: State of Colorado Assets and Assessment
55	Appendix G: Planning Process Mitigation Strategy Goals, Objectives, and Actions Funding Options Analyzing Actions Mitigation Planning Efforts
77	Appendix H: Prioritization
78	Appendix I: Participants, Acknowledgements, and Credits 2007 Coordination Among Agencies References
81	Appendix J: Input and Comments

Annexes
