

Grant Application Deadline: March 12, 2009

APPLY NOW!

- **The deadlines have been set for the second cycle of the Colorado Rural Health Care Grant Program, with letters of intent due on January 20, 2009 and applications due on March 12, 2009.**
- **Organizations that are located outside of Colorado's urbanized areas that provide outpatient primary care services—including medical, oral, and mental health services—are eligible to apply.**
- **Grants will be funded for projects that support the rural health infrastructure and strengthen the capacity of rural entities to provide outpatient primary care services now and in the future.**
- **The maximum award amount is \$50,000 per applicant.**
- **Grant administrator is the Colorado Rural Health Center.**
